

Our Environment, Our Health, Our Future

AUSTRALIA'S PREMIER PROFESSIONAL ENVIRONMENTAL HEALTH ORGANISATION

WHO WE ARE?

The professional organisation has been in existence since 1936 and has undergone several name changes over time to reflect the changing nature of the organisation and its membership. EHA is a member of the International Federation of Environmental Health (IFEH).

WHAT WE DO?

Environmental Health Australia (EHA) advocates environmental health issues and represents the professional interests of all environmental health practitioners. EHA is committed to the professional development and status of its members and the enhancement of environmental health standards and services to the community through advocacy, promotion, education and leadership.

Environmental Health Australia aspires to enhance the practice of environmental health to provide a healthy, safe and attractive natural, built and social environment for all the communities of Australia.
